

**2009 OSRC Commercial Flotation Device
New/Additional License Application Form**

Please complete the application in printed ink or typewriter. All questions must be completed and this application must be signed and notarized upon submission. Due date for submission to the OSRC is by 4:00 p.m. on January 30, 2009.

Name of Operation: _____

Address of Operation: _____

Business Phone Number(s): _____

Email Address: _____

Name of Signature Authority(ies): 1) _____ 2) _____

Owner(s) of Operation: _____

Address of Owners: _____

Owner(s) Home Number: _____

Owner(s) Email Address: _____

Lessee(s) of Operation: _____

Address of Lessee(s): _____

Lessee(s) Home Number: _____

Lessee(s) Email Address: _____

Description of lands owned or leased, and/or intended for use in the operation, including launch and retrieval points:

Please describe how your business will meet the below requirements of OAC 630:10-1-5 (h).

(1) Provide access to toilet facilities to the floating public:

(2) Provide trash bags and disposal information to all customers:

(3) Conspicuously post on business premises and at launch points warnings against tying flotation devices together, about trespass and safety, and that drunk and disorderly conduct is cause for arrest.

(4) All signs placed along the river corridor shall be informational in nature and shall comply to standards established by the OSRC.

(5) Display on each flotation device used the name of the enterprise and an identification number at least three (3) inches high and two (2) inches wide on both the right and left sides (port & starboard sides), or once if it has no sides.

(6) Provide reasonable assistance in river clean-up and navigational hazard removal in your float area at least once each week during all weeks your flotation devices are operated on the river. This includes keeping your launch and retrieval points free of trash and well-maintained.

(7) Provide, in each flotation device used, at least one wearable personal flotation device in good and serviceable condition for each person on board so placed as to be readily accessible and of a size suitable to the person who is or will be wearing it.

Attach an inventory of usable flotation devices with application.

How many new/additional licenses does your operation request for the following Commercial Float Areas for the 2009 Float Season:

Commercial Float Area # 1:
Commercial Float Area # 2: N/A *
Commercial Float Area # 3:
Total Requested:

* For 2009, there are no additional CFDL available for Commercial Float Area 2.

Comments:

In consideration of this application, I (we) certify that I (we) have read and agree to abide by terms of Chapter 10: Licensing and Use Permits of O.A.C. 630 Rules and Regulations for the Oklahoma Scenic Rivers Commission should I (we) be granted any or all of the Commercial Flotation Device Licenses requested. Additionally, I (we) agree the Oklahoma Scenic Rivers Commission may deny this application if I (we) have failed to pay any statutory annual use fees, and pay or complete any outstanding OSRC obligations for calendar year 2008 by the last working day of January 2009.
